### Re: PCA Payments 2024

I am writing to confirm the details for the 2024 PCA payments.

The rates below have been calculated on the pay rates that were applicable from 1 July 2023. Please note that the estimate of the net amount is based on the top PAYE tax rate plus any applicable ACC levies (combined estimated rate of 40.60%). Individual net payments will be dependent on each employee's income and tax code at the time of payment.

Payment of the allowance to eligible staff will be made through the Payroll for payday 26 June 2024.

This information will also be published on The Portal.

Noho ora mai,
