Dear Derek

May I take this opportunity to express my sincere condolences to the family, friends and colleagues of Derek Lovell, who was lost to us all so tragically on Saturday.

Deaths of firefighters in the line of duty is sadly all too common, and whilst so disheartening, only serves to urge us on in the work we do.

May I also extend my best wishes to Merv Neil and Brian Halford, whose condition still is a cause of great concern for us all.

May I also ask you to pass on best wishes to Dennis Wells, Adrian Brown, Alvin Walker and Cameron Grylls, and their families and friends.

With best wishes.

Yours in unity.

ANDY DARK
Assistant General Secretary
