

Do you have a great idea that could make a positive impact for the Fire Service?

The Firefighters' Scholarship is established for career Firefighters and Officers up to SSO rank, and Comcen staff

The Scholarship provides an opportunity to study domestically and overseas, research world's best practice or undertake a project that will benefit the NZFS. Proposals must be relevant to the NZFS strategic plan and/or demonstrate innovative approaches to contributing to the welfare of the organisation

To download an application form and find out more information please visit our webpage on: **NZFS FireNet** or email **beth.piggott@fire.org.nz**
