

## **David Phillips: Candidate for Northern Branch Secretary, NZPFU**

I am David Phillips, a dedicated Senior Firefighter based in the Auckland Central Fire Brigade, with a profound commitment to advocating for the rights and well-being of my fellow firefighters. Throughout my career, I have actively engaged in the union, serving as both a Local Committee member and Local Secretary. These roles have allowed me to represent our concerns effectively and work towards solutions that benefit our members.

With a strong foundation in communication, advocacy, and navigating legislative and contractual environments, I am well-equipped to tackle the challenges we face as a union. My experience has taught me the importance of unity and collaboration, and I believe that a strong and unified branch is essential for advancing our interests and protecting our rights.

I am passionate about fostering a supportive and inclusive environment for all members of the NZPFU. As your Northern Branch Secretary, I will prioritize open communication, transparency, and active engagement with our members to ensure that everyone's voice is heard.

I am excited about the opportunity to serve and strengthen our branch, and I believe my background and commitment make me an excellent choice for this role.

Together, let's build a robust and unified Northern Branch!
