Ratification Meetings

To All Members

Currently all formal documentation is on track to be finalised and signed off in the next few days. All information on the proposed settlement will be sent to members on the same day (Date TBC) prior to ratification meetings going ahead.

~~Due to time constraints and the ability to fit all ratification meetings in prior to Christmas, there will only be one ratification meeting held for the Christchurch Local. This will take place on-~~

Amended – Due to a change of travel arrangements there will now be time for two meetings in Christchurch, these will take place as follows-

Saturday 17th December 2022, Wigram Fire Station starting at **1300hrs**.
Wigram, Ilam and Spreydon to attend

Saturday 17th December 2022, Christchurch City Station starting at **1530hrs**.
Redwood, ANZAC, Woolston, City and SouthComm to attend.

The meetings will run for approximately 1.5 hours. Please arrive no later than **15min** beforehand, so we can get started on time. These meetings are **STOP WORK** meetings, which means if you are a member of the NZPFU and are rostered on duty/at work during the meeting time, you must stop working and attend the meeting. If you are off duty, you must attend the meeting to vote.

As all information will be provided to members prior to the ratification meetings the local asks that any questions are sent to your local committee through your reps prior to the next local meeting **Monday 12th December**, from there the local will provide answers through email to any questions we can, prior to the ratification meetings, this will help ensure

members are well informed prior to the ratification meetings and will enable the meetings to progress in a timely manner.

Members are asked to make every effort to attend these ratification meetings, however if you are in another location when a meeting is taking place you may attend and cast your vote there, if you are intending on doing this you must email wellington@nzpfu.org.nz and myself prior to attending, a schedule with all meetings and locations will be available soon.

Further Admin
