Dear Brian

Transfer of Staff to Te Atatu.

I refer to your letter of 29 December 2010.

You have advised that you will implement the transfer of staff to Te Atatu very soon. The Union considers that the transfer to Te Atatu without proper consultation is a breach of the Collective Agreement. The Union would consider seeking injunctive relief if attempts are made to implement any such transfers without consultation. Please be on notice that the Union is considering its position in relation to this.

Please confirm the existing Fire District the Avondale staff you intend to transfer are attached to, and the Fire District they will be in following the transfer.

The Union is available to commence the consultation provided for in the Collective Agreement.

I look forward to your urgent response, and if you are willing to meet for consultation, a proposed date. I suggest the week of 2 February 2011.

Yours sincerely

Mike McEnaney
President
