

My name is John Waldow and I'm standing for the position of Vice President of the NZPFU.

Based in Auckland, I have been an Auckland Local official for five years, the last year as Vice President of the Local.

I have past governance experience as:

President of the Hamilton Aquatic Water Polo Club, (Canada)

Treasurer, Ontario Water Polo Association

Board Member, New Zealand Water Polo

Referee's Representative, Auckland Water Polo Board

I am currently Director of Referees for New Zealand Water Polo and a Fina (International) Water Polo Referee. I have past leadership experience as an Infantry Officer in the Canadian Armed Forces as well as having coached Championship water polo teams at the National, Provincial, and University level in Canada.

I have strived and continued to improve every organisation with which I have been affiliated. I have worked to update and modernise processes, on a number of levels, within these organisations, be it governance, voting, and overall organisation. I will actively work to continue this in the NZPFU.

I thank-you for taking the time to read this and I urge you to place your vote for Vice President with me, John Waldow.
